## Believers Academy Summer Enrichment Program

Summer is not  
summer without  
a little fun in  
the sun!

Summer Camp  
2007

# *A summer of learning ... a summer of fun.*

Believers Academy Summer Camp is a program that can be counted on. Students are surrounded by positive supervision, support and safety in environments where they are guided with opportunities to learn and grow.

Our program provides hands-on experiences that empower children through clear expectations and opportunities where they can learn new skills, meet new people, set healthy boundaries and enjoy traditional summer fun.

Our trained and caring staff members will help each child explore new opportunities and build self confidence.

**Programming takes advantage of the unique opportunities of the summer.**

Our Summer programs are filled with experiential learning and wholesome summer fun. Programs take place in a variety of settings and are a blend of structured programming with open-ended recreation. Summer camp is a fantastic way for young people to learn, interact with peers, and grow in different ways than they do during the school year.

## Camp Activities & Field Trips

Believers Academy Summer Camp works hard to create a camp experience in the heart of the city. In addition to adventurous trips to various parks and attractions, summer day camp adds other outdoor activities like beach day and hiking. Arts & crafts as well as other organized games allow campers to thoroughly enjoy a unique summer experience.

**NASA and Guided Metro-Park Hikes  
Canoeing, kick-ball tournament and  
Cook-out at the beach  
Cleveland Grand Prix**

## Themes and Enrichment

~ Our Summer Camp is built around themes that provide an atmosphere of fun and adventure. Many of our themes incorporate fantastic enrichment opportunities for kids to enhance their capabilities and develop new skills.

## Organized Games & Sports

~ Everything from kickball, baseball, Frisbee, and football to Capture the Flag. There is something for everyone, and the students are sure to have a great deal of fun.

## Character Development

~ Our Summer Camp programs are based on the value of caring, honesty, respect, and responsibility. Our staff will role-model these values each and everyday and incorporate standards and character development into all aspects of the programs.
